GOZO Here We Come!

Wow, where has the year gone – it seems two minutes since we were advertising the Gozo holiday, and next week we'll be off for a terrific week of diving (plus no doubt other fun and frolics!)

Everyone going to Gozo should by now have seen the Gozo Special Edition Newsletter – if you haven't, then its important that you read it – a copy is available at:

http://www.canarydivers.com/newsletters/canarynews_gozo_special.pdf

Everyone needs to pay special attention to the baggage allowances of course!

PLEASE ALSO REMEMBER TO PRINT OFF AND COMPLETE THE FORMS IN THE GOZO NEWSLETTER AS THESE NEED TO BE GIVEN TO THE GOZO DIVE CENTRE!!!

Sea Diving (Inc GOZO) Essentials

Remember, Gozo is sea diving, we want to ensure that it is a safe dive week, by all divers having the right equipment

In addition to your wetsuit / boots / fins / bcd / regulators.....Please remember:

- Weightbelt – whilst the Dive Centre will provide weight, they don't provide weight belts – so please bring one with you
- Reels and SMB's – each buddy pair should have at least one of these between them – remember, this is sea diving and a reel / SMB is a must
- Dive Knives – each buddy pair should have at least one between them, in case of any fishing line entanglement
- Torch – an optional extra in case anyone finds any of the caves too daunting!

Needless to say we know a good place where you can purchase any of the above ☺ If you haven't called in the shop recently, then please come take a look – the stock levels are well up and hopefully there is something for everyone!

Successful Trip To Vivian (North Wales)

Our trip to Vivian was an excellent day out, and everyone enjoyed it we hope. The water was colder than we've been used to of recent (and at times MUCH murkier!) but nevertheless was a good time out for the 12 people who attended

Additional Anglesey Boat Dive

Due to exceptional demand, we've been able to put another boat dive on – mainly targeted at inexperienced divers – This was mailed out separately last week but is now also SOLD OUT – we are looking for more dates! We are also looking for additional trip venues – watch this space

Advanced Open Water & Rescue Courses

Our programme of Advanced and Rescue courses are currently in full swing. For those considering Advanced Open Water – its not too late to join the fun. For those who missed the boat on the Rescue course, then due to pressing demand we'll be running another in October – so register your interest now

Please Can We Have Our Tank Inserts Back!

Strangely, over recent months we have been losing approximately 4 inserts from our tanks every month, whilst only a small issue, it is actually costing us £20 a month to replace them

Can members please a) Check their kit to see if you have any of our inserts – and return them

b) ensure that if you borrow a tank that has an insert in it that you remove, that the insert is replaced before you return the tank to us! ☺

Night Dives

Over coming weeks we'll be starting a number of Wednesday Night Dives at Capernwray – watch out for them on the Facebook pages – and make sure your torch is charged up!! We have stocked up on torches in the shop for those who need one!
