Canary Divers Newsletter – November 2010

Canary Divers, 184 Burnley Road, Blackburn, BB1 3HW Tel: 01254 696690

Website: www.canarydivers.com eMail: info@canarydivers.com

It's hard to believe that Christmas is just around the corner – with this in mind we've attached a Special bulletin of a few Christmas Offers to the end of this months Newsletter

Merry Christmas To All Our Members!

Stuart, Alan, Mick, and Stewart would like to take this opportunity to wish all our members, non members, family and friends a VERY Merry Christmas. Hopefully, as our first quarter as a relaunched partnership comes to an end all of you are seeing changes for the better and the club going from strength to strength

As the UK waters get colder, many divers naturally start the winter hibernation. At Canary Divers we want to ensure that we keep things alive throughout the winter, and have a number of events for members to consider in this months issue as well as the usual updates

We also have some good news in our Instructor staff – more about that in a moment!

Alan & Mick Gain Their Instructor Certifications!

Canary Divers are pleased to announce that Alan and Mick attended their IDC and IE courses in Sharm El Sheikh at Ocean College, and were successful in achieving their Instructor Status - We know you'll all join us in sending our congratulations to them both – well done guys!!!

The Puffin Island trip was a roaring success, with calm waters, brilliant sunshine, excellent visibility – and plenty of seals!

The trip was so successful that we MUST re-run this next year!

Xmas Party / Bowling Night – Saturday 18th December

As we have been unable to secure a venue for a Christmas Party, we are going to have a Bowling Night Party instead on Saturday 18th December. All Canary Divers Members, Non Members, Family and Friends are welcome

2 games of Bowling, a Bar Drink, and a Basket Meal will be available – all for just £16 each

We MUST get firm numbers booked up on this one, so contact us asap and book your places!!!

Night At The Dogs - Sat 29th Jan 2011

The first social event of the New Year will be a night at the Greyhounds – we have never tried this before so lets give it a go!

The trip will be £35 per person, and will include:

- Coach from Blackburn
- Entry to Belle Vue Greyhound Track
- Race Card
- Trackside Fast Food Meal
- 4 pt pitcher (per person!)
- £5 Betting Voucher
- Canary Divers Sponsored Race!!!

We MUST get firm numbers booked up on this one, so contact us asap and book your places!!!

Facebook ‘Discussion Board’

This month we have introduced a Discussion Board into our Facebook pages – the objective of this is for everyone to be able to place events into this board (such as when you are going diving) and others can contribute to that ‘thread’ and be kept informed as to show who is diving where / when- so everyone can contribute and join others in a diving event. IT WILL ONLY WORK IF YOU USE IT! ☺

Check it out at http://www.facebook.com/group.php?gid=29217057519&v=app_2373072738

Canary Divers Gift Vouchers

**Draco DrySuit from 'Waterproof'
– The BEST of the BEST! - £780:00**

- Seal Armour System – the zippered cuff system allows the flexibility to use any mfg's dry-glove ring system.
- Warm Neck Valve – Now we have improved our frequently imitated Warm Neck design with the addition of a valve to drain the seal area when you surface.
- Form Moulded Velcro Tabs – For adjusting the Warm Neck Waterproof uses moulded poly-urethane Velcro tabs with Japanese Velcro Plush for maximum hold and good looks.
- Vented Hood, HAVS. A separated Vented hood fits underneath the warm neck collar. Our exclusive Hood Air Venting System uses one-way valves to vent annoying gas build-up in the hood.
- The HAVS hood features a 7mm double layered protection in critical heat loss areas and glide skin seals for the neck and face.
- Because of the shaping of the DRACO, no seams are to be found in the under arm area or in the crotch area, where wrinkling can otherwise cause wearing.
- The boots are extended in the rear calf area, which facilitates an easy step in.
- Kevlar reinforced soft boots ensure ultimate strength and flexibility.
- The Boots are cut on an angle to minimize ankle and calf stress while finning.
- High Visibility Logo reflective logos on the sleeves and in the neck part.
- Armoured Dry Zipper. A heavy-duty zippered neoprene cover protects the Dynat dry zipper that is located horizontally over the shoulders.
- Chill Guard. Under the Dry Zip, it not only keeps body heat in, it also keeps your undergarments out of the zipper for trouble free operation.
- Two expandable POWER POCKETS on the thighs.
- Laminated TOUGHTEX nylon coating on the 3,5mm HEIWA Hi-Dense Neoprene.
- A Seat that Grips – Poly-urethane embossing in the back provides a no-slip grip and integrated abrasion protection.
- Knee Guards – Anatomically shaped, 3-Dimensional, injection moulded knee/shin guards provide hard-core protection without compromising comfort and flexibility.
- Anatomical Sculpting – with pre bent arms and legs Draco provides an anatomically sculpted suit designed to fit human movement.
- Shoulder Armour – Draco provides relief with padded wear resistant shoulders – finally a suit that can take as much as you can.
